

CHC52025

Diploma Community Services

About the qualification

The Diploma of Community Services is Australia's latest community services training course. It is suited for those who want to develop their career in the community services sector by gaining the latest nationally accredited qualification for case managers and community workers.

This particular community services course will give essential skills and knowledge to work in a range of community organisations, with a wide range of people. These could include children and young people, families, older people, clients from culturally diverse backgrounds, and many more.
